Pro Bowl Plumbing Review

I had to redo an entire installation and I contacted Pro Bowl in a panic. They came out and gave me a great price and did exactly what they said they would do. Could not recommend them more.

Social media didn't feel very "social" for Pro Bowl. They felt like just another face in the crowd. They looked at the likes of Starbucks with their rabid followers and wondered how can we duplicate just a fraction of their performance? The reality, though? Pro Bowl is not alone in their challenges to stand out as a brand.

As a local plumbing company in **Coral Springs, Florida** Pro Bowl was getting zero traffic to their Facebook page. They had the typical problems. Not enough time to learn or know how to create and post engaging content to their social media accounts. Then one day they decided to take the **First Month Free** offer at Megabiz and are now very happy they did. Megabiz has since been publishing a new video featuring a ***different celebrity every month*** for them and the results have been incredible.

Testimonial

Previously, they struggled to create and post content for their Facebook, Twitter or YouTube. However, with Megabiz, they are now able to publish a new celebrity video every month that includes real customer reviews from Yelp and Google. **All for only \$299 per month.**

The best part is, since completing their onboarding, Pro Bowl has been on autopilot. Megabiz creates a high quality and engaging video, featuring a famous celebrity presenting Pro Bowl Plumbing's best customer reviews to their market and publishes the video to their social networks - **EVERY MONTH!**

Their recent video posted on February 17, 2019, featuring actress Vivica A. Fox, got 10,000 Views in 7 Days on Facebook and to date they have received 100 plus calls from prospective new clients in their area.

It's a No-Brainer! - from just one call/customer from the video, Pro Bowl Plumbing was able to **cover Megabiz fees for the whole month!** The return on investment is many times more for Pro Bowl with the new clients created with the help of the celebrity review videos from Megabiz. Not to mention, the engagement, the buzz created in their community has resulted in more followers and customers for Pro Bowl Plumbing. Megabiz has provided them the ability to “automatically” create high-quality content, consistent posting of engaging celebrity review videos to their social accounts and therefore establishing Pro Bowl Plumbing as a valuable brand in their service area. ***All because they decided to give Megabiz a try.***
